METHOD FOR ISSUANCE OF MEDICAID ELIGIBILITY CARDS TO HOMELESS INDIVIDUALS

Issuance of Medicaid eligibility cards to homeless individuals is arranged with the client by reviewing the following options in the order presented below. The first option to be appropriate is used.

- 1. Cards mailed to a protective payee, if one has already been designated.
- 2. Cards mailed to a mutually agreeable friend or relative.
- Cards mailed to a social agency that has regular contact with the client. The social agency 3. designated must agree with the plan.
